JUDSON CACTUS

1980

The yearbook staff is pleased and proud to dedicate the 1980 edition of the Judson Cactus to our friend, advisor and teacher, Mrs. Faye Black. In addition to her duties as an English teacher, Mrs. Black has served for the past fourteen years as sponsor for both the Judson Cougar, our school paper, and the Cactus as well. This year due to the ever increasing demands and importance of her teaching responsibilities, Mrs. Black regretfully found it necessary to resign the advisorship of the Cactus, a job which has always been for her, a labor of love.

In publishing fourteen editions of the Judson Cactus, Mrs. Black has managed to produce, year after year, books of outstanding quality and literary merit which always exemplified the best of life at Judson. On behalf of the faculty and students, we, the staff of the 1980 Cactus, wish to gratefully acknowledge the contribution and inspiration of Mrs. Black in our common experience here at Judson School.

There is something very special about this place, a unique air of instant familiarity, a feeling of belonging which one senses from the very first. No matter who you are or where you are from, while you are here, this place is home. For forty years Judson has been the home of Henry C. Wick, the school's owner and director. Mr. Wick and his wife Barbara provide the guiding spirit that is the secret of Judson's family atmosphere. A new student visiting the Wick's home on campus for the first time may be surprised to learn that knocking on the door or ringing the bell is not necessary. Just walk in, like you're one of the family. At Judson you're not away from home, you are home! Pictured above, Mrs. Henry C. Wick with twins Alexander and Alyssa age seven and daughter Ginny age ten.

This year the Judson activities department headed by Ruth Young, arranged field trips to Mexico, Disneyland, Lake Powell, and the Grand Canyon. In October, 83 students and their advisors sampled the spectacular beauty of Arizona's most famous natural landmark in a 3 day weekend of overnight camping at the Canyon. The trip was one of the high points of the year at Judson and the most memorable moments of the weekend were captured in these photographs by Miss Jean Wilkie.

After it's over is in the past Mrs. Johnson and her hardworking band members added themselves to the annual fall concert which was very well received by students and parents alike. All who attended were pleased and impressed by the poise and professionalism of Judson's young musicians.

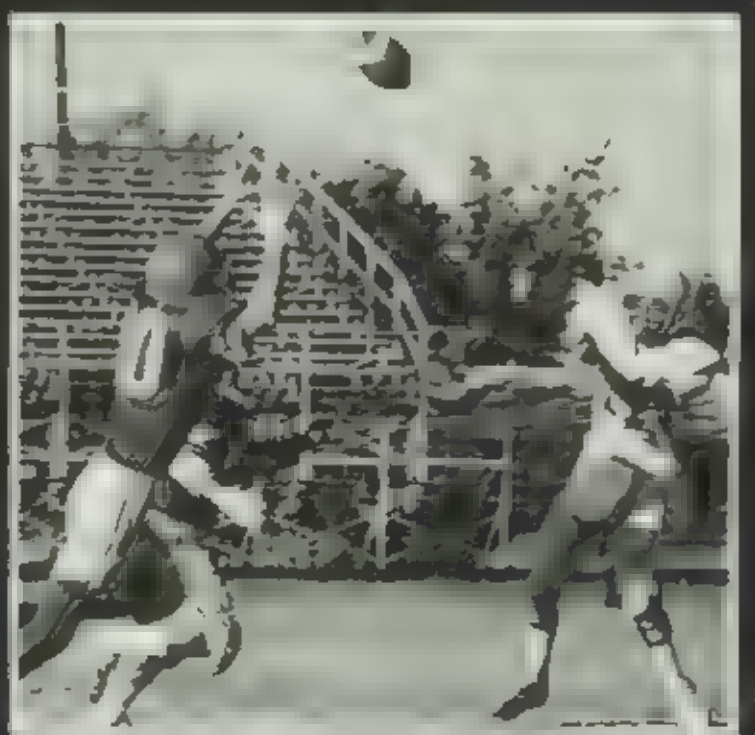

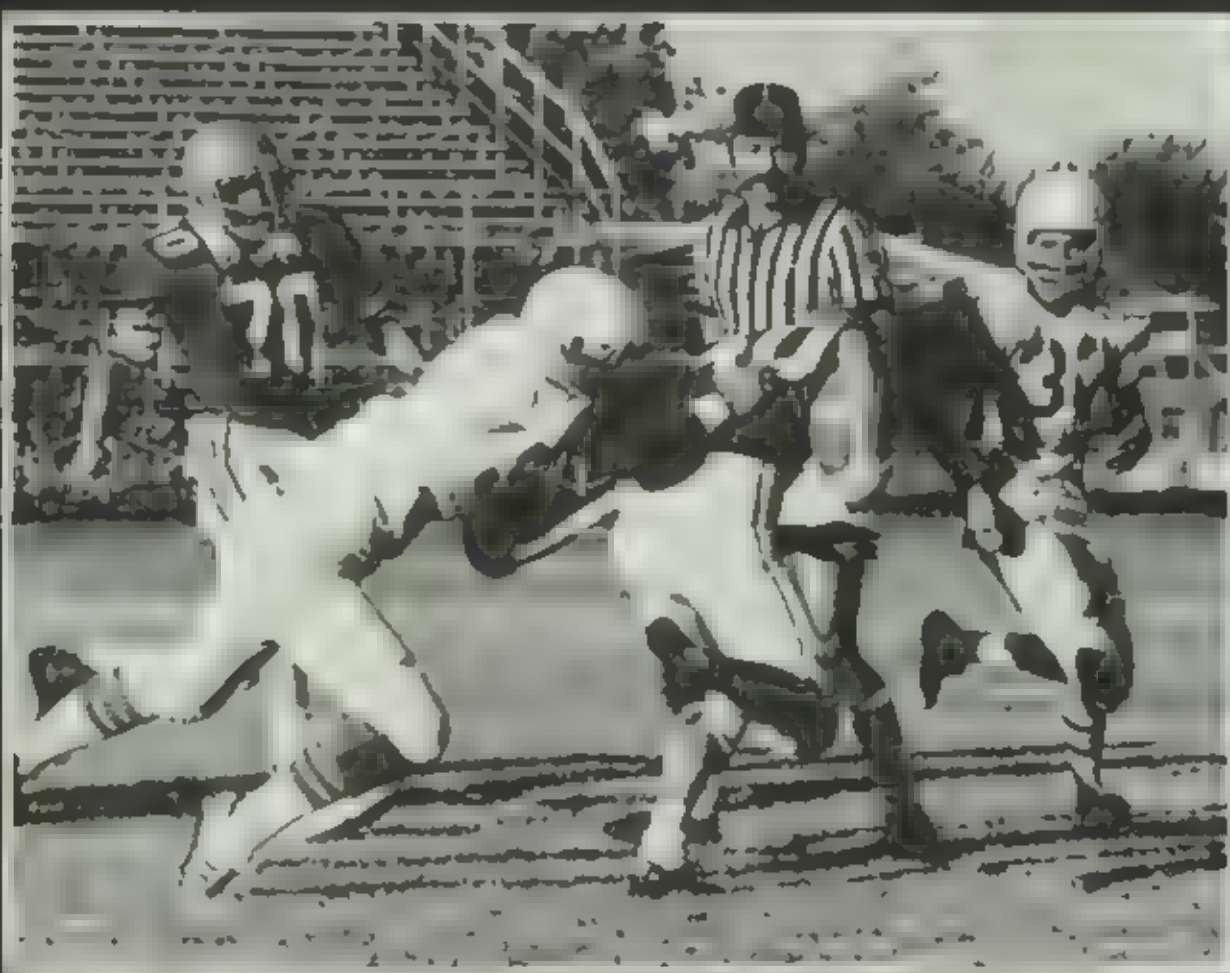

Not every football season can be measured in wins and losses alone. Sometimes they must be measured by what each individual participant learns from the experience. The Cougar's record of 1 win and 5 losses seems almost too dismal to contemplate. It should be remembered however, that those spectators who watched Judson narrowly defeated by Mesa (10-15) and Carona Del Sol (9-12), saw two well played, hard fought contests. Chris Jerman thrilled and delighted the crowd with a successful field goal attempt of 44 yards, but sadly it was not enough. Without doubt the team's 600 yards in penalties accumulated over the course of the season had something to do with the poor record, but statistics alone never tell the whole story. It should be remembered that 46 boys came out for football on the first day of practice. Only 30 of them stayed to finish the season. Sometimes it is not to win but to try that is important.

Judson's activities program offers a full range of experiences in outdoor sports. Ski trips to Durango are very popular. Phil Ormsby is Judson's full time tennis pro, and the aquatics program offers first rate instruction in swimming and diving for beginners as well as advanced seniors.

As editor of the 1980 Cactus, I am pleased with the way it turned out. The yearbook has had many changes from the past and I'd like to thank the staff for their new ideas and Mr. Frakes who helped us put it down on paper.

It's been a real honor for me to be the Editor and a part of making this book. I can't say I've enjoyed working late but we always had fun and it kept us busy at night. I hope everyone enjoys the book this year as much as I have.

I'd like to thank the photographers and the typists for their time, mostly good times, and Mr. Frakes who has put a lot of his own time into this year's book.

Kristen Wagner

Kristen Wagner, Editor

A Word from the Advisor

As always, with the completion of any lengthy project like the yearbook, there are a great many people who deserve to be acknowledged and thanked for their help along the way. I would like to take this opportunity to thank Mrs. Black for her assistance in preparing the group photos and individual student pictures; Mrs. Wick, for her excellent photography; Mr. Meathers, for his invaluable professional photography skills; Mrs. Peggy Smith, for the use of her typing room; Grace Hovland and L. H. Schaare for their help with mail deadlines; and Mr. Gray and Ann Karraker for all their support and encouragement. I would also like to thank: Dick Keller, Colin Fagan and my wife Jeanie for their photographic efforts, many examples of which appear throughout this book. Thanks also to Lea McFee for her typing and hard work as Advertising Editor; to Bobbie Watkins, Debbie Turner and Dana Dekema for typing and staff work; to Greg Hovland and Kelly McLaney for photography; and special thanks to Dave Courvoisier for many hours of dark room work and dozens of fine photographs. He is without a doubt one of the finest student photographers with whom I have ever had the pleasure of working. I would also like to thank Rick Hursh, our publisher's representative, for his excellent service and good advice. He was always there when we needed him. Greatest thanks and credit must go to my student editor, Kris Wagner. This book is a tribute to her unselfish leadership, diligence, and many hours of painstaking hard work. Without her efforts, this book would not have been possible. Let's not forget, I would like to express my gratitude to Gene Minarik for his help with advertising.

Here are some of the many people who make Judson work for all of us. People like Rebecca and Rex Young, who handle everything from mail to transportation and maintenance; people like Patty Smith who keep communications open with our parents all over the world; Jerry Goadie our accountant who keeps track of the money and pays the bills; and teachers like Mrs. Bair who sponsor trips to museums and places like the press room of the *American Republics*. Teachers, coaches, staff members and students giving of their time and talents to make Judson a unique and special place.

Center left: Guard Hamad Hamadik, kept by the outstretched arms of a Saguaro High defender, releases one of his patented jump shots from the inside corner. Lower left: Kyle Weiner, driven to his knees but still fighting for possession, scrambles away from the defender beneath the net. Herbie Maraden offers some assistance.

In this outstanding sports photograph, Dave Cummings has captured all the action, speed, and excitement of high school basketball. Caught at the peak of his jump, senior Doug Nimmer shoots over the arms of a defending Tiger with the practiced skill and determination that have made him the Georgia high school basketball star.

1980 STATE CHAMPIONS

This year Judson played perhaps the toughest schedule in the school's history, with an average of five AAA schools as well as Superior High School and Phoenix Indian School. The non-conference schedule prepared the Cougars for league play where they won 16 out of 17 games and were division champions. In the state tournament, a total team effort enabled the Cougars to come from behind twice to give Judson its first State Title in 16 years. Doug Nasman (MVP) and Jeff Cross were named to the all-tournament team at the state playoffs and both were later named to the All-State 1st Team.

This year, the Cougar grapplers posted a record of 2-2 and 1 in dual meet competition. The team's six members compiled a combined record of 49 wins, 36 losses and one draw in dual meets, scrimages and tournaments. Kevin Pope was team captain. By team vote, Deron Grothe was selected as most valuable wrestler and Chip Halquist was named most improved wrestler.

When All He Had Just Wasn't Enough. A picture of humiliation and despair, this Cougar wrestler sought to hide his shame in anonymity. We will respect his wish for privacy, but print this picture here in the hope that at some future time he will reflect upon his defeat and take satisfaction in the knowledge that when you have given all you had to give, and lost, there is no shame in losing and no less honor than in victory

MEMORIES

SUNDAY NIGHT AT THE WICK'S

One of the most popular activities at Judson is the weekend barbecue held regularly each Sunday night at the campus home of Mr. and Mrs. Wick. As is the custom with the Wick family, the students have the run of the house: baking cookies in the kitchen, making popcorn, planning by the pool, or just relaxing draped over an easy chair watching T.V. In short, the atmosphere which Mr. and Mrs. Wick try to maintain is that of a normal family home. (Normal, that is, for a family with 500 kids.)

One of the highlights of the Christmas season at Judson is the annual choral concert performed by the lower and middle school, under the direction of Mrs Chapman. The concert featured a variety of elves and carolers who performed with great enthusiasm for a packed house of delighted parents. The student band members pictured above were awarded trophies for their participation in Judson's music program

One of the major events which highlight the year at Judson is participation in the annual Parada Del Sol Rodeo parade. The parade opens a weekend of festivities in February which culminate with the nationally famous Parada Del Sol Rodeo, one of the biggest rodeos for professional cowboys in the entire country. This year, Judson's parade contingent was led by the entire Wick family riding in an "Oklahoma" style surry with the fringe on top.
